

Food Products

- fish
- meat
- milk
- crops

Food supply chain stages

- Primary processing, Storage
- Packaging, Transportation

Participants to commit to engage in:

1. Implementation of the FLW protocol (WRI);
2. Research to the impact, causes of, and solutions for PHL;
3. Projects for capacity building and implementation of solutions
4. Awareness raising, advocacy and extending partnerships.

Each participant to make their own action plan (with budget), to share with ADMI, CoP and other partners.
